

2017 7. ULUSLARARASI DOĞALGAZ KONGRE & FUARI
7TH INTERNATIONAL NATURAL GAS CONGRESS & FAIR

Turkey is one of the largest and most popular natural gas markets in Europe and **7th International Natural Gas Congress and Fair (INGAS 2017)** will provide the participants with;

- Reaching out to the industry decision makers,
- Having the opportunity to meet with natural gas professionals under the same roof,
- Capturing new and profitable business opportunities to speed up imports and exports,
- Finding chances to engage with these markets,
- Supporting marketing activities by presenting new and existing products to leading industry decision-makers,
- Having the chance to develop their business network and to expand their trading partnerships,
- Following the latest technologies,
- An opportunity to receive short term and beneficial business response throughout B2B meetings with high level decision-makers.
