Subject: 19th International GastroFair Wine&Delicacies 2016 in Prague

Dear Madam / Sir,

we would like to inform **You and Producers of Wine and Delicacies** (national food specialties such as cheese, ham, salami, olives, olive oil, chocolate, juice, beer etc.) from your country about the **19th International GastroFair Wine&Delicacies 2016**.

This exhibition takes place in **Prague** from the **26th to the 28th of April 2016**. There is the biggest fair in Czech Republic offering **beverages, food and delicacies** from all around the world. **Food and delicacies represent about 70% of the GastroFair range and wine makes up about 20%.**

The GastroFair is divided in **2 zones with 2 different tickets. Zone B2B** (business-to-business) **only for Professionals from gastronomy and the Zone for general public.**

As 38 % of the visitors are professionals from gastronomy, there is a great opportunity how to promote your products and find business partners there. Every year we have about 200 Exhibitors and around 15 000 Visitors. You can find more information on our web site: <http://www.vinodelikatesy.cz/eng.html>

Please, be so kind and inform your producers of wine and food delicacies about the Fair and about opportunities how to promote their products in 2016 in Czech Republic.

Thank you in advance for your help and look forward to our cooperation.

With best regards,

František Veselý m.p., Director of the Fair
