Blacksea Expo

27-29 April 2016

Moscow/CROCUS

The advantages of the exhibition;

Blacksea Expo, which will be organized in the concept of the general trade fairs, will also enhance the trade capacity, social and cultural ties.

BlackSea Expo will also host periodic meetings of every 6 months, will also give the opportunity to stretch the vivid relations in every sphere of the region.

With the benefits of B2B meetings, organizations and institutions will be provided with the warm friendly atmosphere.

BlackSea Economic Council (BSEC)

On 25 June 1992, the Heads of State and Government of eleven countries: Albania, Armenia, Azerbaijan, Bulgaria, Georgia, Greece, Moldova, Romania, Russia, Turkey and Ukraine signed in Istanbul the Summit Declaration and the Bosphorus Statement giving birth to the Black Sea Economic Cooperation (BSEC)

Founded in 25 of April 1992 BSEC covers a geography encompassing the territories of the Black Sea littoral States, the Balkans and the Caucasus with an area of nearly 20 million square kilometers. The BSEC region is located on two continents, but accepting the basic means of welfare, stability and peace. In order to achieve all what was mentioned above we need economic unity.

Blacksea Expo 2016, which is the Project of Russian National Committee for Black Sea Economic Cooperation, will be organized in cooperation with RUS INTEREXPO and SENEXPO between the dates of 27 and 29 in CROCUS EXPO IEC in Moscow. BlackSea Expo 2016 will be one of the most important events that make the economical force, which BSEC has been gathering.

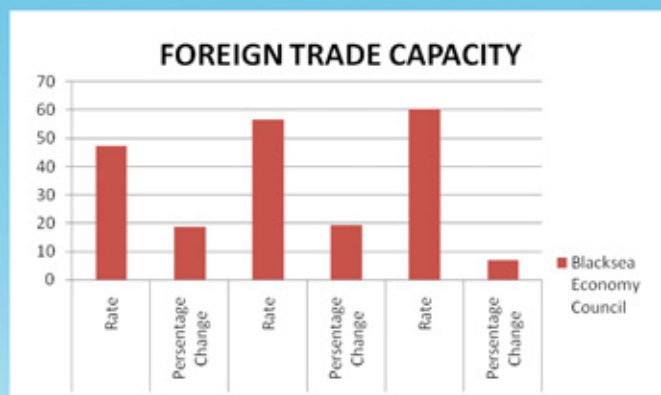

Supported by Russian National Committee BlackSea Expo will be organized as General Trade Exhibition

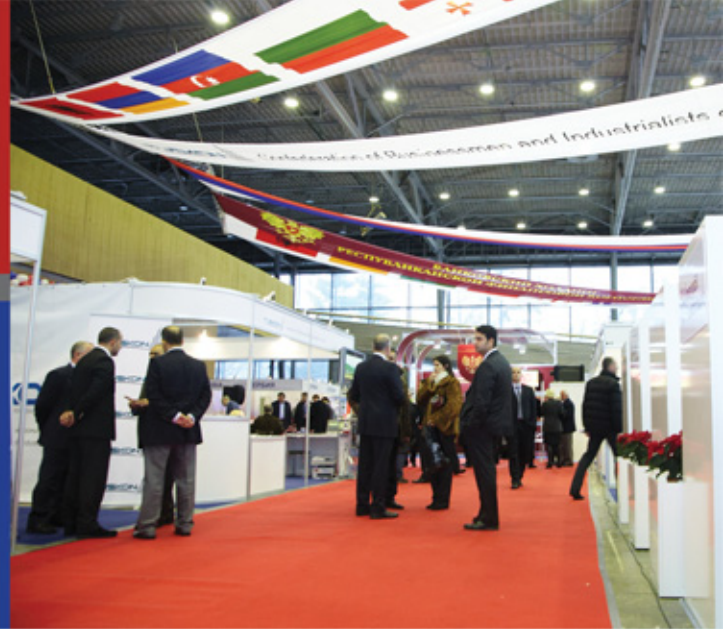

Having cultivated and irrigable lands and hosted ancient civilization these lands and community of countries still bear witness to the history.

Consisting of the Black Sea area, the Member States can be considered as the world's center for Economic Cooperation.

Crocus Expo International Exhibition Center

Crocus Expo International Exhibition Centre is one of the largest and modern fairgrounds of the world, a full member of The Global Association of the Exhibition Industry UFI in categories of Exhibition Organizers and Exhibition Centres. Crocus Expo IEC infrastructure allows holding projects of any scale and profile: industrial exhibitions and international salons. Every year the venue accommodates more than 350 events (exhibitions, trade fairs, conventions, conferences and symposiums, corporate parties and sporting events) and the number of visitors exceeds 10 million per a year.

Crocus Expo IEC forms part of Crocus City Trade and Exhibition Complex. The guests of expo centre are welcome to all facilities located in the territory of the "satellite-city" of Moscow.

Extra advantage of Crocus Expo IEC is its transport accessibility – the venue is located at the intersection of arterial highways and there is a metro station with exit doors to the pavilions.
