Tokyo One-Stop Business Establishment Center

Personalized service makes completing filing procedures quick!

The Tokyo One-Stop Business Establishment Center unifies the procedures that foreign companies and start-ups need to complete to establish a business. This is a first for our country. Through personalized service provided by staff knowledgeable in administrative procedures and experts, the center helps to facilitate the prompt completion of various filing procedures, including those for company registration and notification of incorporation which are required when starting a business, taxes, social security, and immigration. Furthermore, to meet the needs of companies, the center also offers interpretation and translation services in several languages.

Additional facilities located on the same floor are also available to assist. Bilingual consultants at the Business Development Center Tokyo help to match foreign companies seeking to expand their business into Tokyo with business partners and handle inquiries on life in Tokyo. In addition, the Tokyo Employment Consultation Center has also been established here to assist foreign companies that have just started doing business in Tokyo with accurately understanding Japanese employment rules, supporting the smooth development of business.

We invite companies looking to start a business in Tokyo to utilize these services.
