

127 years in benefit of trade and industry

2022, Sofia

Third century in benefit of trade and industry

Bulgarian Chamber of Commerce and Industry established in 1895. This is an independent, non-governmental organization for assistance, promotion, representation and protection of the business interests of its members, which contributes to the development of international economic cooperation and provides assistance for the European and international integration of the Republic of Bulgaria. The activity of the Chamber is based on the principles of voluntary membership, autonomy and self-financing. BCCI seeks to establish straightforward and ethical relations among the business circles. **BCCI and the 28 Regional Chambers of Commerce and Industry are united in the Unified System of Bulgarian Chambers of Commerce and Industry which has about 52 000 members – traders, corporations, associations, etc.**

The Role of the Bulgarian CCI

- Officially recognized social partner – takes part in the social dialogue (government, businesses, trade unions)
- Defending the interest of its members or the businesses
- Promotion of the international economic relations
- Provision of a great number of services to the business
- Council of Sectorial organizations – 87 organizations
- Settlement of trade disputes

Introduction

Established more than 120 years ago (1897) as a Court of Conciliation at the Bulgarian Chamber of Commerce and Industry in Sofia the AC has heard and settled civil disputes between legal persons at least one of them being seated outside Bulgaria. Its jurisdiction was obligatory for the foreign trade enterprises from the states members of Comecon based on the Moscow Convention of 1972 and voluntary based on an arbitration agreement entered by the parties.

It began to act as a voluntary arbitration court between natural and/or legal persons domiciled, resp. seated in Republic of Bulgaria since 1989.

The Executive Bureau of the BCCI adopted Rules and Tariff for Arbitration "Ad hoc" Assisted by the AC at the BCCI on 17th of January 1989.

The Rules on Expedient Procedure in Arbitration Cases, applicable to domestic disputes of claim amount up to BGN 10 000, is in force as of 1st January 2005.

For the last 20 years only the Arbitration Court has settled about 5,600 cases, natural, resp. legal persons of 40 countries in the world being parties to them.

The latest amendments to the Rules of the AC at the BCCI are in force since 1st of February 2002.

Updated lists of arbitrators for international and internal disputes are in force since 1st of January 2005.
