

# BONONIA ESTATE

WINERY

A tradition carried on through the centuries

# About us

- Bononia Estate is a Bulgarian winery located in North West of Bulgaria **on the shores** of the **Danube river** near Vidin in **Koshava** village
- Bononia Estate has 1500 decares **own vineyards, modern technical equipment & facilities** for winemaking and is just about to open doors of a **boutique hotel** complex

- We produce quality wine with the typical character of the Danube - **white, red wines** and **rosé**
- Our history **unites 3 centuries of tradition** as the original building was established in 1895
- Our region is called “**Golden Horn**”, due to fertility of the soil and has some of the **oldest wine traditions**: here was opened the **1st wine school** in the country
- In the middle of our vineyards passes **Meridian #23**

# Our wines

- Our main grape varieties are: (W) **Chardonnay, Sauvignon Blanc, Traminer, Viognier** and (R) **Cabernet Sauvignon, Cabernet Franc, Syrah** and the indigenous **Gamza**
- 4 brands are in our portfolio:

## GOMOTARTZI

## ISTAR

## Ooh La La

## Bononia Estate

- Most are **competitions winners** in specialized and international exhibitions

# Bononia Estate Winery & Resort

In few months, **Bononia Estate Resort** will open its doors and let visitors take a tour around the restored building from 1895 and the preserved underground corridors. The resort includes a **boutique hotel**, a **restaurant**, a **SPA zone**, different **wine tasting** rooms, a **conference** and events **hall** a **swimming pool** and other wine adventures and experiences. **We look forward to welcome you as our guests!**

A photograph of a wine bottle lying diagonally across a dark, draped fabric. The bottle is dark with a purple label. The label features the word 'GAMZA' in large, stylized letters with red and black details. Below it, 'BONONIA' is written in gold, and 'ESTATE' is written in smaller gold letters below that. The bottle has a black cap.
