

The Bursa Chamber of Commerce and Industry of Turkey presents its compliments to you.

The Bursa Chamber of Commerce is promoting international trade of Bursa region by inviting international buyers to the trade fairs which are organized in Bursa.

In this context, we would like to inform you that **BURSA INDUSTRIAL SUMMIT 2017** will be organized, simultaneously with Bursa Metal Processing Technologies Fair, Bursa Sheet Metal Processing Fair, Mould Eurasia 2017 and Bursa Otomation Fair, in Bursa International Fair and Congress Centre between November 30-December 3, 2017, with the cooperation of our Chamber and Tüyap Bursa Fair Organization Inc.

BURSA INDUSTRIAL SUMMIT 2017, which will exhibit all metal-automation-machinery related innovations and promote new products and services, is the biggest, strongest and leading event of the region. Bursa Industrial Summit is gathering the sectors' leaders in one platform, creating a great synergy and attracting key visitors and investors both from Turkey and abroad.

Participation in **BURSA INDUSTRIAL SUMMIT 2017** is funded by our Chamber, Republic of Turkey Ministry of Economy and TÜYAP Fairs and Exhibitions Organization Inc.. **3 nights accomodation, İstanbul Airport-Bursa-İstanbul Airport transfers and transfers between the hotel and the fair ground** of the participants will be covered by the organizers.

We would appreciate your kind assistance regarding the dissemination of the information on **BURSA INDUSTRIAL SUMMIT 2017** to the concerned professional institutions, chambers, sector unions and companies in your country. We remain at your disposal for any queries you may have.

Thank you in advance for your kind cooperation.
