1st Eastern Partnership Investment Forum 10-11 July, 2019, Batumi, Georgia

Investment Project Submission Form

The Forum will gather business and governments of the six Eastern Partnership countries (Armenia, Azerbaijan, Belarus, Georgia, Moldova and Ukraine) to showcase the up and coming investment projects in the four major sectors: infrastructure (including tourism, real estate and logistics), energy, agriculture and manufacturing. This forum is a step towards creating an effective space for promoting investment and establishing partnerships among the EaP and EU businesses and governments.

As a part of this Forum an Investment Opportunities Catalogue is put together and will be widely circulated among the target audiences of potential partners and investors.

If you are looking for investors or partners to advance your project and would like to have it featured in this catalogue, please, submit the request in the format given below.

Company- Sector- Project Title- Project Description: (Max. 300 words) Information about the project: Project summary: Brief background, location Total investment cost in EUR Project's implementation period Project objectives/desired outcome Products/services to be developed (with estimated production capacity) Target Markets (if export, please outline countries) Partners of the project (if any) Amount of external financing needed (EUR), type of funding desired (equity, quasi-equity, debt) Sources of financial targets (project and equity IRR, payback period, NPV) Photos- high resolution for printing (please send separately) Logo-high resolution for printing (please send separately) Name of contact person; e-mail address Description of authority/company (brief overview, main activities)	Name of State Authority/Private
