

Agriculture Changes the World

Agriculture to Protect the Health of the Earth and Humans

International Business Day : October 12-15 (Thursday-Sunday), 2023 (4days)

Suncheon Bay Institute of Eco-Culture Education

Letter of Invitation

Invitation to the International Agriculture Exhibition 2023

Dear Sir or Madam:

We would like to invite you to join the International Agriculture Exhibition 2023 at Suncheon.

This year, we are honored to have you.

As a leading agricultural region, Jeollanam-do has introduced the latest trends and technologies in agriculture since 2012.

In 2021, 392 agricultural companies from 43 countries participated in the situation of COVID-19, and 70 million spectators participated on/offline and visited the exhibition.

In 2023, with the theme of "Agriculture changes the world," we will highlight the importance of agriculture in the era of the climate crisis and promote the revitalization of the local economy.

We invite you to the International Agricultural Exhibition 2023, which will lead to the healing of the virtuous cycle of the earth and humans through agriculture and future agriculture.

You can join the field of participation: Sustainable agricultural policy in response to the climate crisis, and processed agricultural food, dairy products, livestock products, agricultural machinery, agricultural materials, agricultural technology services, etc.

Please confirm your RSVP by sending an application form by E-mail at ardis76@naver.com until 15th of July 2023

We are Looking forward to meeting with you at the International Agriculture Exhibition 2023!

Yours truly,

Jeollanamdo International Agriculture Exhibition
