

**Israeli Cyber Seminar in Sofia**  
**"Cyber Resilience – The Israeli Experience"**  
**November 6th, 2018**  
**Sofia Tech Park, StartUp Hambar**

***The Embassy of the State of Israel***

has the privilege and great pleasure to invite You  
to participate in a special Seminar dedicated to Cyber.

At the event, participants will have the opportunity to meet with Israel's cyber experts and industry leaders who will discuss various topics such as cybersecurity, intelligence, critical infrastructure protection, the challenges of a globally growing terror threat, crime containment and preemption, public order and disaster and emergency readiness.

This Seminar serves as an opportunity to have a closer look at Israeli perception and capabilities of cyber in various fields.
