Day 6 /23APR23- Sunday/

Today we'll pick you up from Las Hayas to visit the *Tierra del Fuego National Park*.

It's a half day experience.

Leaving the city of Ushuaia, heading southwest, we will travel the national route No. 3, towards Tierra del Fuego National Park.

In the eleven kilometers that separate the entrance of the park from the city of Ushuaia, we will stop near the Equestrian Center, where we will have excellent panoramic views of the Beagle Channel, the Ushuaia peninsula and the Bridges, Willie and Les Eclauriers archipelagos.

After crossing the Pipo River bridge, next to the Ushuaia Golf Club, we will arrive at the station of the Austral Fueguino Railway, the End of the World Train. Those passengers who wish to board the End of the World Train optionally may do so. The rest of the group will wait for you at the end of the tour.

We continue the journey for 2 more kilometers and enter the National Park, an area reserved for the protection of the Subantarctic Forest, native flora and fauna.

Along the road surrounded by Lenga forests and peat bogs, we will arrive at Lake Acigami (ex Roca), a lake of glacial origin, whose surface is 5.50 square kilometers, framed by mountains and forests, where it is possible to spot specimens of native birds.

In the service area, we will have approximately 30 free minutes.

In Bahía Lapataia, in addition to the marine coast, rich in mollusks and mussels, we will find vestiges of the ancient aboriginal people that inhabited the region. Allí tendremos tiempo para recorrer la pasarela desde la cual podremos tomar fotografías y disfrutar. There we will have time to walk the walkway from which we can take pictures and enjoy the feeling of being at the end of the world. ar de la sensación de estar en el fin del mundo.

Desde From this place, end of National Route No. este lugar, final de la Ruta Nacional Nro. 3, we will begin the return to the city of Ushuaia.

Day 7 /24APR23- Monday/

Transfer from Las Hayas to airport. Flight to Calafate.

Transfer from airport to Xelena Hotel & Suites and then a private Perito Moreno Glacier Tour.

You will travel about 25 miles from El Calafate to the park, enjoying the views of the Patagonian steppe. Once inside the park, you will take walkways to explore the different viewpoints, and you'll feel unbelievably close to Perito Moreno Glacier. If you're lucky, you may even get to see a piece of ice break off and fall from the glacier wall, sinking forever into the lake below.

A bilingual guide will provide you with all the information. After this visit, you will take a boat ride that will bring you close enough to fully appreciate the 262-foot ice walls of Perito Moreno! You'll never feel closer to this gigantic and impressive natural masterpiece. At the end of the day, we will drive you back to your hotel.
