UK Export Finance Workshop

Financing solutions for infrastructure and energy projects

As high level delegates from around the CEE/Baltics region gather in Sofia for the Three Seas Summit, the Department for International Trade (DIT) and UK Export Finance (UKEF) are pleased to invite you to their Project Finance Workshop on Thursday 8 July. The workshop will provide an opportunity to hear how UKEF can support infrastructure and energy projects in the region through our flexible, innovative, and competitive financing solutions.

What you can expect at the event

- 0930** Arrival and coffee
- 1000** Welcome from Graham Stuart MP, Minister for Exports
- 1010** UK Export Finance – Flexible, innovative, and competitive financing solutions
- 1100** Networking

UK Export Finance: Achieve more with our flexible finance

As the UK's export credit agency, working alongside the Department for International Trade, UK Export Finance support UK exporters by providing attractive financing terms to overseas buyers of UK goods and services, to make their offering more competitive. We have an international network of export finance representatives in key markets around the world, including in CEE, with responsibility for developing commercial ties and matching local projects to UK businesses.
