**INTERNATIONAL ENGINEERING
SOURCING SHOW**

14, 15, 16 March, 2019
Chennai Trade Centre, Chennai, India

THE IESS

The biggest display of Future of Indian Engineering brilliance is prepared to sport 'Smart Engineering' for the third time in Chennai over 14-16 March in 2019!

Who to attend

Industry, Academia, Traders, Investors, Government
– State and Central Ministries and Media!

WHAT IS IESS

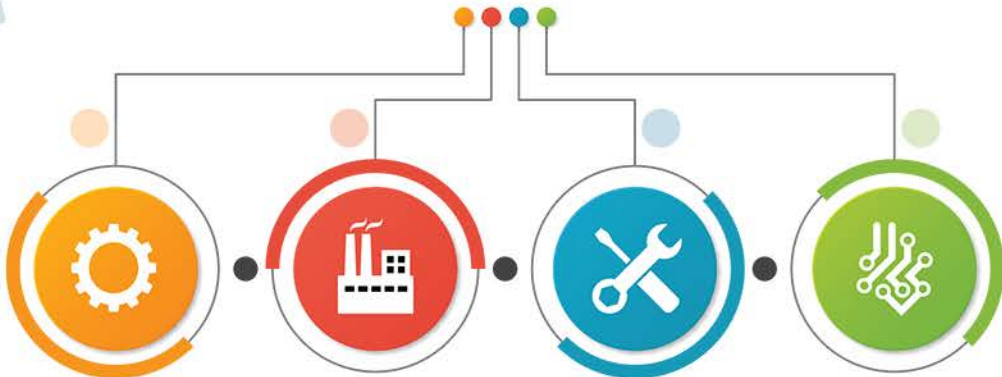

IESS, with its unique concept is aimed at reducing dependence on traditional markets, develop domestic markets, forge partnerships and joint ventures, strengthen commercial relations and accelerate trade between India and the world. Organised by EEPC India under the aegis of the Ministry of Commerce and Industry, Government of India, IESS has created a platform for exporters of engineering products and services to build business contacts with leading importers, buyers, dealers, distributors and wholesalers of engineering products internationally. Another major objective is to highlight India as the Technology Hub for the manufacturing industry and for outsourcing wide range of high quality engineering items at very competitive rates.

LOOKING BACK OVER LAST 7 EDITIONS

- Support from Union Ministry of Commerce and Industry, MSME, DHI
- Partner Countries from the Czech Republic, COMESA, Poland, Russia

IESS 2019 - Brings to you

Exclusive Sessions and Pavilions on Future Factory Subcontracting, Innovation & Technology ; and Bilateral Forums; B2B Sessions and Hosted Buyer Programmes

Tamil Nadu as the Host State

Why Chennai: The state has emerged as one of the most progressive and dependable sources for high-tech engineering exports, notably from the small and medium enterprises. Two successive IESS in Tamil Nadu shows how the global engineering giants have rated the state of Tamil Nadu among the leading sources for engineering exports.

Stakeholders Validating the Success of the Event

PARTICIPATION RATES (PER SQ M)
