Mr Vikram Kirloskar
President
Confederation of the Indian Industry

Dear Mr. Kirloskar,

It is my great pleasure to congratulate you on behalf of the Management Board of the Bulgarian Chamber of Commerce and Industry, as well as on my own behalf, on the occasion of the 125th Anniversary of the Confederation of the Indian Industry.

For decades on CII has emerged as a strong and proactive institution working towards the growth and competitiveness of the Indian industry. I believe that CII's strong impact will last and will influence the sustainability and development of the economy in India.

The role of the organizations like ours as unique intermediaries between the policy makers and the business is vital for the business, that is why I hope that you will keep alive that mission as well as consolidate the prosperity of the CII in the future to come.

Be assured that the cooperation at a bilateral and international level between our organizations will further expand in view of the global economic integration.

I avail myself of this opportunity to express my highest considerations.

Sincerely yours,

Tsvetan Simeonov
BCCI's President
