

2025 World Climate Industry EXPO

August 27(Wed.) - 29(Fri.), 2025 | BEXCO, Busan

Ministry of Trade,
Industry and Energy

KOREA ENERGY
AGENCY

| Overview

Creating New Markets by Fostering the Climate Industry A Global Climate Cooperation Platform Leading Carbon Neutrality

Theme

Energy for AI, AI for Energy

Date

August 27-29, 2025 (Wed.-Fri.)

Venue

BEXCO, Busan

Host

KOREA, IEA, WB

Program

Opening ceremony, Conferences(12 sessions),
Exhibition(with 560 participating companies) and Side events.

Coordination with Concurrent International Conferences

APEC 2025
K O R E A

CEM16
MI10

REPUBLIC OF KOREA · 2025

[15th APEC Energy Ministerial Meeting]

(21 member economies)

Key Agenda

- ▲ Electricity Expansion for a Reliable Future
- ▲ Strengthening Grid Security and Reliability
- ▲ AI-Driven Energy Innovation

[Clean Energy Ministerial 16 & Mission Innovation 10]

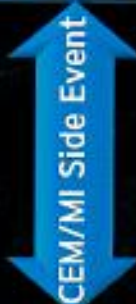

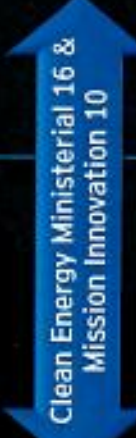

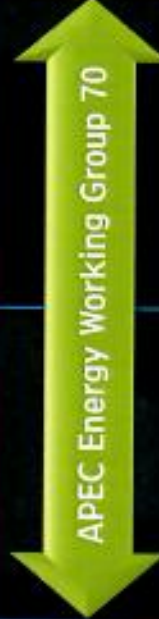

(29/24 member country)

Key Agenda

- ▲ Power System Transformation
- ▲ Industry Decarbonization and Efficiency
- ▲ Future Fuels(Focus on Hydrogen)
- ▲ Energy & AI

Attended by Energy Ministers from around 40 nations

Coordination with Concurrent International Conferences

	Aug 25(Mon.)	Aug 26(Tue.)	Aug 27(Wed.)	Aug 28(Thur.)	Aug 29(Fri.)

Co-Host

WORLD BANK GROUP

Joint Conferences

Solving Complex
Challenges Together

CLEAN ENERGY
MINISTERIAL
Advancing Clean Energy Together

MISSION
INNOVATION

“Korea-IEA Forum”

“Korea-WB Global Forum”

“KEA-ADB Clean Energy Dialogue”

“Clean Energy”

| Opening Ceremony

Opening Remarks

Welcome Remarks

**President or
Prime Minister**

Tae-won Chey
Chairman of KCCI

Hyeongjun Park
Mayor of Busan

Congratulatory Remarks

Manuela Ferro
WB Regional Vice
President of EAP

Conferences

Program	Session	Host
Global Leadership Summit	Korea-IEA Forum	MOTIE/IEA
	Korea-WB Global Forum	WB/KEA
	KEA-ADB Clean Energy Dialogue	ADB/KEA
	Global Energy Roundtable	KCCI
	Clean Energy	CEM/MI
Energy AI Summit	International Clean Hydrogen Forum	MOTIE
	Climate Technology & AI	2050 CNC
	AI and Energy Transition	Busan Metropolitan City
	CFE Technology & AI	CFA
Climate Summit	Global Climate Technology Future Strategy	MSIT
	Meteorological and Climate Technology	KMA
	Wildfire and Carbon	KFS

Exhibitions

Theme Energy for AI & AI for Energy

Exhibition Hall		Key Contents	Host	Organizer
1 Hall	Future Energy Hall (Korea Energy Show)	AI, Robots, Mobility, High-efficiency equipment, and other technologies and products related to energy solutions.	Ministry of Trade, Industry and Energy	Korea Energy Agency
	Clean Power Hall (Korea Energy Show)	Renewable energy(Solar, Wind, etc), Power grid, Nuclear Power, and other power-related technologies and products.		
	Carbon Neutral Hall (Net Zero EXPO)	Leading companies, and other innovative technologies and products related to carbon neutrality.	Ministry of Trade, Industry and Energy	Korea Industry Intelligentization Association
	Climate Meteorological Industry Hall (KCMIE)	Weather observation, weather information solutions, and other weather technologies and products.	Korea Meteorological Administration	Korea Meteorological Institute
2 Hall	Environment & Energy Hall (ENTECH)	Water quality management, environmental protection, waste disposal, and other eco-friendly technologies and products.	Busan Metropolitan City	BEXCO

VIP Exhibition Tour

Energy ministers from 40 countries & Ambassadors from foreign embassies in Korea
to visit exhibition booths of major companies
VIP Exhibition Tour to Be Conducted More Than Twice
