**2019 Taiwan Trade Mission to
Bulgaria, Romania, Russia and Hungary**

April 13- May 2, 2019

About TAITRA

Founded in 1970 to help promote foreign trade, the Taiwan External Trade Development Council (TAITRA) is the foremost non-profit trade promotion organization in Taiwan. Jointly sponsored by the government, industry associations, and several commercial organizations, TAITRA assists Taiwan businesses and manufacturers with reinforcing their international competitiveness and in coping with the challenges they face in foreign markets.

Since its establishment, TAITRA has developed a well-coordinated trade promotion and information network composed of over 1,300 trained specialists stationed at its headquarters in Taipei, in five local branch offices in Taoyuan, Hsinchu, Taichung, Tainan, and Kaohsiung, as well as in over 60 representative offices around the world.

In association with its sister organizations, the Taiwan Trade Center, Inc. (TTC) and the Taipei World Trade Center (TWTC), TAITRA continues to do everything possible to adapt its trade promotion strategies to the changing international trends and conditions. TAITRA's major functions include Market Development, Strategic Marketing, Trade Information Services, Exhibitions, Convention Services, Trade Education, and TaiwanTrade (an e-Trading Hub service).

Tremendous business opportunities can be found in Taiwan's dynamic economy. Taiwan's strategic location, infrastructure and capital make the island an ideal springboard for business operations throughout Asia and the Pacific Rim. TAITRA, together with its experienced trade specialists, all stand ready to help you do business with Taiwan.

About TAIWAN

Economic Indicators 2018

GDP per capita	25,977 USD
Total Export	336.05 billion USD
Total Import	226.65 billion USD
Consumer price inflation	0.62%
Unemployment rate	3.76%

Investment (FDI)

Taiwan is the world's 19th largest outbound investor and the 8th largest in Southeast Asia.

R&D

R&D receives government and private sector support, including from the Industrial Technology Research Institute, Institute for Information Industry, and Taiwan Textile Research Institute.

Manufacturing

Taiwan excels in advanced AI (artificial intelligence), AR (augmented reality), VR (virtual reality), IoT (Internet of Things) technologies, auto parts, machinery, ICT, food processing, and functional textiles.

Flexibility

Suppliers in Taiwan offer customized design, efficient production and aftersales service.

International Marketing

TAITRA is a major trade promotion body and has 63 branch offices globally.
